

Activities 2020

At Kerem Adventure Camp we offer a range of fun activities suitable for all ages.

Whether you want to connect with friends, strengthen your team or take the classroom outdoors, we'll 'bring out the best at Kerem!'

Each activity facilitates learning and skills development, builds confidence and promotes healthy, active lifestyles. Our experienced activity facilitators instruct each session in accordance with our 'challenge by choice' philosophy, encouraging participants to build on their strengths and broaden their perceived limitations through participation in both individual and team environments.

FUN & ADVENTURE

ARCHERY

You may not be wearing tights; but you will feel like Robin Hood and his merry men! Our archery program is delivered by experienced local instructors, ensuring excellent coaching and maximum enjoyment for all participants. Participants must be 9 years old or above. Instructors provided, additional supervision to be supplied by the group.

COLOUR WAR

Our Colour War is a favourite with campers! Teams earn their ammunition through tough challenges, defend their colour stores from raiding parties and launch into an all-out war with the simple objective of getting more colour on the opposition than they get on you! Swimming goggles are recommended (but not required) for this event.

After the Colour War participants need to wash down outside before showering. Colour War participants are not permitted in dorms or communal areas or swimming pool until they have rinsed off.

DISC GOLF

Disc Golf, also known as Frisbee Golf, is a game of precision and accuracy in which players throw the disc (Frisbee) towards the basket with the aim of completing the course in the least number of throws possible. Sounds easy enough...right? Groups that finish early can join in a fun game of Ultimate Frisbee (camp rules!) or Frisbee Volleyball (you've got to see it to believe it!)

LASER TAG

Laser tag will have you caught up in the world of virtual shoot outs, team challenges and tense ambushes. Available day or night.

HIGH ROPES COURSE

Come and experience the native Australian bush like never before as you climb, weave and fly through the tree-tops on the high ropes course. Experience the thrill and freedom of defying gravity on our elevated tightropes, cargo nets, bridges and rope ladders before soaring to the ground on the epic fifty metre flying fox.

Guests using the High Ropes course will be correctly fitted with a sit harness and attached to a continuous belay overhead tracking system; a certified operator is responsible for hooking and unhooking the participants.

LOW ROPES COURSE

Take the challenge of our Low Ropes Course, suitable for ages 5 and over. Allow our trained facilitators to guide your group around our beautifully designed course. With varying degrees of difficulty there is something for everyone. If time permits participants can undertake speed trials and the agility challenge! Facilitation of this activity by Kerem Team Members is required.

ORIENTEERING

Put away the GPS and brush up on those map reading skills! Our orienteering courses are suitable for everyone, from beginners to the more experienced. Our fenced property provides a safe, expansive space for your orienteering experience.

ROCK CLIMBING

Take the vertical challenge! Adventure activities don't come much bigger – or should we say, taller – than this. Campers are challenged to reach the top of this whopping 8m climb (it's a great view from up there!). This activity is supervised by fully qualified staff and uses only the best in safety equipment.

PERTH'S OUTBACK SPLASH

Enjoy a full or half day at Perth's Outback Splash, one of Perth's best waterparks. Take the two-minute drive or enjoy a short bush walk from the Kerem site, guided by one of our Team members. Featuring amazing new waterslides, The Wedgie, Blackout, The Wave and The Rush. The six different mazes, native animals, mini golf and beautiful picnic grounds are open all year round, making it the ultimate adventure for every camp!

Please note: walking access to Perth's Outback Splash is weather dependant. The track is not suitable for walking in extremely wet weather and caution should be taken if choosing to walk in the heat of summer.

ZORB BALLS

Jump into a Zorb Ball and find out what it feels like to be a hamster on the go! Traverse a course, race a friend or simply roll around until you can roll no more! Bookings are required and minimum numbers apply. (quoted on request).

BUILD YOUR OWN KITE

Appealing to both artistic and energetic campers, participants will construct and decorate their own kite and enjoy the thrill of launching it into the air on even the mildest breeze. A great souvenir to take home from camp!

ENVIRONMENT & DISCOVERY

BIRDS OF PREY DISCOVERY EXPERIENCE

Get up close and personal with birds of prey. Meet a Wedgetail Eagle and learn what makes them the alpha predator in our Australian skies! You'll be in awe of the beauty of these birds and learn all about their diet, hunting techniques and importance to the ecosystem. Pair this amazing experience with our Night Bush Stalk for the ultimate outback adventure!

BUSHWALK DISCOVERY TOUR

Explore a billabong, navigate swamplands, hear tales of local outlaws and get in touch with some history of the traditional custodians of the land on our Bushwalk Discovery Tour.

Please note: check out the Night Bush Stalk too and see Kerem change as the stars come out and the bush comes alive.

NIGHT ACTIVITIES & GLOW SPORTS

SPY GAMES

Spy Games is a night team game that engages with the local history of Bullsbrook and the RAAF Pearce Air Base. Participants form Secret Agent Cells and must work together to collect critical items scattered around the campsite to complete their mission. Teamwork is essential in order to succeed; however secret agents may be hindered as guards spot them during their nightly patrols.

CAMP FIRE

Situated right in the heart of the camp-site is the fire pit. There's nothing quite like watching flames dance and coals shimmer under a star-lit sky, with only a breath of cool breeze whisking embers high into the night air. The perfect way to relax after a 'hard day camping'... We even provide the firewood! Bookings are required and groups must check with the Duty Manager prior to lighting as fires are not permissible under certain conditions.

GLOW SPORTS

Experience the thrill of playing traditional sports in the dark! With light-up balls and campers adorned with glow sticks, you'll never play during daylight hours again!

MOVIE NIGHTS

Our Outdoor Movie Cinema is the perfect activity for a balmy summer's night! Campers can relax under the stars after a day of adventurous activity and enjoy watching their favourite movie. If it's a bit chilly outside or if indoors is simply more your style, don't worry, we have you covered too with our Indoor Movie Nights. Both movie night options would not be complete without delicious fresh and hot popcorn... check out our catering options for more details!

NIGHT BUSH STALK

See Kerem change as the stars come out and the bush comes alive! Experience the spooky swamp and moon-lit landscape as you enjoy a guided night-tour of the surrounding bush.

TEAM ACTIVITIES

TEAM BUILDING

Strengthen team bonds as you work together to achieve a range of challenges that will test your problem solving skills, revealing hidden group dynamics along the way. Teams will need to plan cooperatively, communicate effectively and hone their decision making skills to be successful. Let the games begin!

WATER WORKS

A combination of tried and tested team challenges that are guaranteed to get you wet! Construct a pipeline to flood the river, cart water in leaky containers, race your ping pong ball to the top of our water totem poles and more!

KOLOSSUS KEREM GAMES

Let our Kerem instructors entertain and challenge you with a vast array of exciting games. Providing a range of team and individual challenges, Kolossus Kerem Games encourage groups to work together and provide the opportunity to practise leadership skills.

TREASURE HUNT

Participants are linked together in small groups to solve the cryptic riddles that will lead them to the hidden locations where they will collect directions. Once the riddles have been solved and directions collated, teams will work together and pace their way to a hidden treasure chest and real treasure!

TUG-O-WAR

Heave-ho campers! A great activity to use up loads of energy and enjoy some light competition. There is no charge to play tug-o-war, however bookings are required.

SPORTS AND RECREATION

INDOOR RECREATION

Found in the final 'wing' of the U-hut and adjacent to the meeting hall is our indoor recreation area. The recreation area is a large open space with a range of games such as table tennis. This area can be cleared to be used for your group's own purposes.

SWIMMING POOL

The pool is always a winner with campers! Take a dip in our beautiful in-ground pool. Surrounded by nature – you'll feel like you're a million miles away. A minimum of two supervisors must be provided by camp groups. Supervisors must be over the age of 18 and must have an aquatic supervision qualification that satisfies the camp group's organisational policies and/or insurance policy. Maximum of 30 swimmers in the pool area at one time. It is the responsibility of the group attending to ensure that only competent swimmers use the pool. The pool ranges in depth from 1m to 2.4m.

VOLLEYBALL & BASKETBALL

Enjoy these popular ball sports as a free time or organised activity; you can even run your own mini tournament! The volleyball court is a full sized court (with adjustable net height) and the basketball ring and backboard are competition size, with a half court concrete court, making it great for shooting casual hoops or some modified competition. Use of the basketball and volleyball facilities are free of charge unless Kerem Adventure Camp instructors are required to lead the activity session.

RECREATION PROGRAMS

At Kerem Adventure Camp we are passionate about making every camp experience a memorable one. We value the time you spend with us; and we want that time to be some of the best of your life! So let our team do all the work for you and tailor a camp program that's made especially for you. We offer fully programmed camps from one day to one week (or even two!).

When you choose a programmed camp you are free to relax and enjoy your camp experience, knowing that we have thought of everything AND organised it all for you! Programmed camps include accommodation, full catering, a full activities program and all the qualified instructors required to lead the selected activities. All you have to do is provide the additional adult supervision required for your activities.

If you would like us to create the perfect program for you, simply contact us at info@keremadventurecamp.com.au and tell us a little about your group, how long you'd like to spend with us and what sort of themes or outcomes you'd love to see as part of your camp experience – then leave the rest to us!

WANT TO ORGANISE YOUR OWN ACTIVITIES?

Camp Groups are welcome to organise their own activities provided by a third party, however details of the third party provider must be supplied to Camp Management prior to booking. Camp Management reserve the right to full discretion over the activities and providers admitted to the premises. Kerem Adventure Camp accepts no responsibility for any injury, illness, loss of life, damage or loss of property that may occur during any activity.

NEW ACTIVITIES COMING SOON!

We are committed to constantly improve every area of our camp and guest experience. And constant improvement means change! So make sure you check out our website regularly to see what new activities and facilities we are developing here at Kerem Adventure Camp. Visit www.keremadventurecamp.com.au
